Brother TN-2355 Black Toner Cartridge

The Brother TN-2355 Black Toner Cartridge is a high-quality, genuine Brother toner designed for professional and crisp black-and-white printing. It delivers consistent, sharp text and smooth grayscale images, making it ideal for home offices and businesses that require reliable and cost-effective printing.

Key Features & Benefits:

✓ High-Quality Black Prints

Produces sharp, clear text and graphics for professional documents, reports, and invoices.

✓ Reliable & Long-Lasting Performance

Engineered for consistent output and smudge-free printing, ensuring every page looks crisp and clean.

✓ Standard Page Yield

Provides an estimated 2,600 pages (at 5% coverage), making it a cost-effective option for frequent printing.

✓ Genuine Brother Cartridge for Optimal Printer Health

Using original Brother toner helps extend printer lifespan and prevents compatibility issues, ensuring smooth operation.

✓ Easy Installation & Replacement

The TN-2355 cartridge is designed for hassle-free installation, making toner changes quick and effortless.
